OUTREACH AND CONTINUING EDUCATION COMMITTEE Meeting Minutes of November 16, 2023

Meeting Location: Old Main 340

Faculty Senate President Brandon Dupont called the meeting to order at 2:01pm, welcoming a total of 12 attendees (roster attached).

Discussion Item

Outreach and Continuing Education Office Presentation: Vice Provost for Outreach and Continuing Education Robert Squires gave a presentation about the Office of Outreach and Continuing Education. He talked about the responsibilities of the OCE office and ways that it supports the campus. He shared the office's strategies and tactics for this and future years and spoke about online program development for business connected and in-demand education.

He was asked about the position for the Director of CiHS program, and stated that it was requested it in the supplemental budget.

He would like to see the the Global Pathways Program Oversight committee, a subcommittee of OCE that has not met a while, resume meeting. The first graduate from the whole program will be graduating this year, with approximately 63 students total participating to date.

Possible topics for the OCE Committee include accreditation, development of a process for creating and reporting non-credit programs through ACC, and an OCE rubric for sub-100 level courses.

He was asked how the CiHS is going to work going forward. The OCE Committee is working through some of those intial conversations now. The Vice Provost gave a brief framework for CiHS, which is more equity focused than other pre-college programs. A question regarding the relationship between OCE committee and the Provost's CiHS committee was raised, with a concern that faculty wants some form of communication between the two committees.

Committee Priorities: Faculty Senate President Dupont raised the need for an OCE chair, but no one came forward. He said that he will follow up with the committee at a later date by email to try and get a chair before the next meeting. Regarding the Committee meeting schedule, this day and time currently works for everyone.

Meeting adjourned at 2:57 pm.

OUTREACH AND CONTINUING EDUCATION – ROSTER 2023-24
