## Official Minutes College of the Environment Curriculum Committee 11/21/2024

### Call To Order and Approval of Minutes

**Call to Order:** Chair Rebekah Paci-Green called the meeting to order at 3:03pm.

**Approval of Minutes:** Motion to approve minutes from 11/7. Motion seconded; vote taken. Minutes approved by unanimous vote.

### Action Items

#### **Legacy Modality review:**

- ESCI 325: approved by unanimous vote
- UEPP 202: returned for revision; Syllabus needs the GUR rosette, more clarity around RSI in the syllabus, particularly around mandatory one-on-one meeting; statement regarding online modality and time commitment expectations. Much of this information is well documented in the CENV modality form already.
- UEPP 368: returned for revision; syllabus needs university syllabi policy link; recommend clarity around office hours format for online course; add clarity of instructor's RSI in lecture and discussion. Assignment load appears to be light for a 4-credit course.
- ESCI 333: approved by unanimous vote. Suggestion that syllabus could be clearer regarding office hours and whether they are mandatory.
- ESCI 340: Approved by unanimous vote. Suggestion that syllabus should be very clear that labs are synchronous and mandatory.
- ESCI 101: returned for revision. Limited RSI demonstrated on syllabus, pedagogical rationale for offering online during AY needs to be more thought out.
