**Re:** [Recommended Review of All Permanently Approved Online/Hybrid Courses for Compliance](#) (ACC approved Nov. 7, 2023; Faculty Senate approved Nov. 27, 2023; Dec. 1, 2024 review deadline)

---

The following legacy online courses were reviewed by the CENV Curriculum Committee to ensure adherence to the CENV College Modality policy and ACC guidance around Regular and Substantive Interaction (RSI) and syllabus policies. The CECC reviewed and discussed each syllabus, returning several for revision. They voted to approve the following courses.

**The following courses were approved to continue to be offered under an alternate modality:**

\*Per CENV modality policy, which has different criteria for Western on the Peninsulas programs, ENVS 303 is approved for online modality during the academic year only for the Western on the Peninsulas sites.

**The following courses were NOT approved (or not submitted by the department for review) to continue to be offered under an alternate modality.** These courses will need to go through the request for new modality approval process procedures to be offered in an alternate modality in the future.

Note:

The committee also erroneously reviewed – and approved – **ENVS 426 and UEPP 343** for online summer only. However, these courses, had only temporary online modality approval through term 202440. The courses are now being routed through the full ACC review process for course modality change.
