Re: [Recommended Review of All Permanently Approved Online/Hybrid Courses for Compliance](#) (ACC approved Nov. 7, 2023; Faculty Senate approved Nov. 27, 2023; Dec. 1, 2024 review deadline)

The CSE Curriculum Committee set an Oct 31, 2024 deadline for departments and programs to submit their review and memo of department courses. Each department was provided a list of courses to consider for review and the Dean's office worked with departments and programs to ensure courses were carefully reviewed. Departments submitted a memo to the college with the courses they reviewed and requested to maintain their remote modality. Departments were instructed to carefully follow instructions from ACC and use the CSE Modality Policy to determine whether a course meets the current requirements. Several departments and programs indicated that they were not seeking approval for any course on the list. Those courses are listed in the second table and do not have a date in the right-most column. The CSE Curriculum Committee reviewed the department memos and associated courses following the CSE Modality Policy and ACC policies. Courses that meet the requirements for a given remote modality are listed in the first table.

The following courses were approved to continue to be offered under an alternate modality:
