**Re:** [Recommended Review of All Permanently Approved Online/Hybrid Courses for Compliance](#) (ACC approved Nov. 7, 2023; Faculty Senate approved Nov. 27, 2023; Dec. 1, 2024 review deadline)

---

**The three online-approved courses have not been taught online or hybrid for over five years, nor do we have any immediate plans to offer them online anytime soon. In August, WLCC invited Western Libraries faculty to submit a syllabus for any intended online offering, and did not receive any submissions by the October 1 deadline.**

**The following courses were NOT approved (not submitted by the department for review) to continue to be offered under an alternate modality.** These courses will need to go through the request for new modality approval process procedures to be offered in an alternate modality in the future.
