Re: [Recommended Review of All Permanently Approved Online/Hybrid Courses for Compliance](#) (ACC approved Nov. 7, 2023; Faculty Senate approved Nov. 27, 2023; Dec. 1, 2024 review deadline)

Per the request of the ACC regarding a review of all Permanently Approved Online/Hybrid courses for Compliance with the new Provost-Approved College and Department Modality Policies (passed on November 7, 2023), the Woodring Graduate Committee (WGC) has undertaken a review of all online and hybrid courses offered in the graduate programs within the four departments of the Woodring College of Education. The WGC chair and members of the committee reviewed each department memo as well as a representative sample of syllabi. All WGC voting members voted in favor of approving the following review of permanent modalities during the meeting on November 18, 2024. Due to receiving a revised memo from the Department of Secondary Education after the November 18th meeting, the WGC Chair reviewed their 3 courses for online and hybrid compliance and decided to move them forward as approved since they were very similar to other approved syllabi.
